

BRING OUT THE BEST

# ABOUT US

Akij Tableware offers a range of porcelain tableware that adheres to the highest standards of quality and design. Each piece has been carefully crafted to exude finesse and refinement, and is designed to elevate the dining experience. With imperial-inspired designs, our collection imbues an air of elegance to everyday dining. Make every meal an occasion to remember with the opulence of Akij Tableware.

At Akij Tableware, we place a strong emphasis on creativity and originality, which is evident in the unique attributes and styles of our products. As a brand of Akij Ceramics Ltd., a business unit of the esteemed Akij Group, one of the most prominent business conglomerates in Bangladesh, we uphold the Group's reputation for excellence in all aspects of our operations.

# OUR FACTORY

Akij Tableware prides itself on a state-of-the-art factory located in Mymensingh, Bangladesh, covering a massive area of 13 acres or 566,280 square feet. The facility boasts a workforce of over 1,300 individuals, with a strong commitment to gender inclusion. Utilizing European technology, the company started its operation in December 2021 with a capacity of 60,000 pcs per day (based on product assortment), which will increase to 1,25,000 pcs per day by the year 2023. Not only is the factory highly efficient and productive, but it also maintains a strict adherence to environmental regulations, making it one of the most well-maintained and eco-friendly factories in all of Bangladesh.

# OUR CAPABILITY

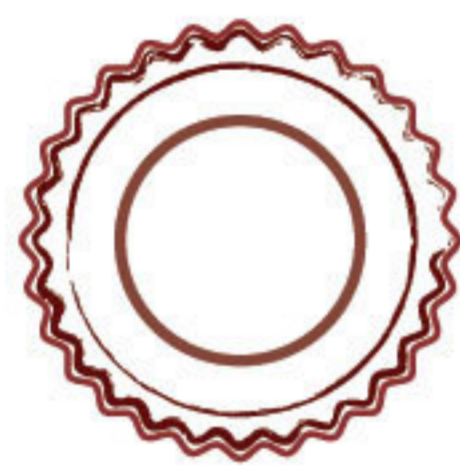

Akij Tableware is a renowned manufacturer of a diverse range of porcelain tableware that boasts of versatile shapes, designs and an array of color options. The company's products are available in various types of glazed finishes - regular, rustic, reactive, dual tone etc. Utilizing state-of-the-art molding techniques, the company's creative craftsmen create products that are not only functional but also aesthetically pleasing. The designs for the plates are the masterpieces of the company's highly creative and imaginative designers. The designs are carefully done on the dish, giving each one a personalized and distinctive look.

# WHY WE ARE UNIQUE

Akij Tableware is known for its exceptional range of porcelain tableware that is distinguished by its variety of shapes, styles, and colors. The products of Akij Tableware are crafted with a strong glazed finish that imparts durability and a sleek, polished appearance. The collections are stackable, making them easy to store and transport. Additionally, they are vitrified and stain-resistant, making them easy to clean and maintain. These porcelain tableware are also built to withstand different temperatures, they are freezer safe, heat and chill retention, oven safe, microwave safe, dishwasher safe, thermal shock resistant and chip resistant. All these features make Akij Tableware truly unique and suitable for any kitchen use.
